Subject: Re: You have completely destroyed any semblance of scientific veracity!!!!

Retired Adm. David Titley, former NOAA operations chief and a former meteorology professor at Penn State University, said NOAA'

Re: You have comp's leadership is showing "moral cowardice" and said officials should have resigned instead of issuing the statement chastising the Birmingham office. Friday said he would have quit had he been in the same situation .

YOU are a "moral coward"!!!!!!! Live with it, because long after you are out of office, this will be your legacy!

Congratulations, Mr. Jacobs! You have undone all scientific validity which NOAA has enjoyed for decades by your agency's utter stupidity and treachery in supporting Mr. Trump's chicanery!

You have proven yourself to be a pure puppet of ignorance, rather than a devoted scientist!

You have very nicely shattered decades of hard work to build NOAA's rock-solid reputation as a truly scientific agency!

Well done!!! One day you will be remembered as a traitor of science, just as all the supporters of other dictators and would-be "truth-controllers" are now!

Congratulations again on being a complete stooge and destroying all vestiges of faith the general public has in NOAA as a scientific agency! At least there are many others who do have integrity. You and NOAA are unfortunately now far out of that ballpark, Mr. Jacobs.
